E. SESSION SUMMARY:

A basically round dark object is silhouetted against a light background. It has three dimensional features which are angular or triangular and protrude from the face of surface of the object.

A nature scene showed calm waters. Another scene showed water flowing.

A large image of sharp jagged teeth in motion is portrayed.

A cartoon figure of a heavy set man with glasses is walking to the right.

A young adult woman with blond hair is sitting at a desk reviewing books or paper materials.

The theme I received was "all in a days work".
